

**Cover Letter**

**Page 2**

**Ad: Specification**

It is stated herein that the substitute specification attached includes no new matter.

The clean copy of the substitute specification newly filed is attached herein.

**Ad: Drawings**

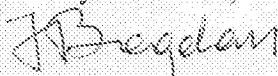

Due to the return to the original drawings of this application filed on 07/10/2006, the non-compliance with 37 CFR 1.84(p)(4) is eliminated.

**Conclusion**

Due to the thorough implementation of the action requirements, it is thus respectfully submitted that the invention taught and defined herein by the claims embodies patentable subject matter.

The Examiner is earnestly solicited to give favorable consideration to this application and pass it to allowance.

Respectfully submitted,

By: John W. Bogdan,

on the 30<sup>th</sup> of April 2010
